

DARLENE

Shakedown Records - SD222

Vocal by Pat Carnathan – San Diego, California

Based on the tune by T. Graham Brown

OPENER:

Circle left. Darlene, sit down I need to talk to you. **Men star right** turn it one time tonight, **left allemande** and **weave** that ring. Darlene, **swing** your lady **promenade** that ring. When you gonna realize how much I love you.

FIGURE: (Twice for heads, twice for sides)

Head (side) couples promenade halfway. Walk into the middle and **square thru** I say. Four hands around and then you **swing thru** tonight, **boys run** right and a **ferris wheel**. **Centers square thru 3/4** round, **swing** your corner, **promenade** the town And I want you for my darlin', Darlene.

MIDDLE BREAK:

Sides face **grand square**. Darlene, we're both tired of just hangin' around. Tired of dreamin' in this sleepy town; the rest is history. **Four ladies promenade**, one time you know, **swing** your guy and **promenade** 'em home. And I'll have all I ever need if you go with me.

CLOSER:

Four boys promenade that ring. Get back home and give your lady a **swing**. Join your hands **circle left** and then **allemande left** and weave that ring. Darlene, **swing** your lady, **promenade** that ring. And I want you for my darlin', Darlene.

TAG:

Oh, I need you for my darlin', Darlene
