## Opener:

**Sides Face, Grand Square** To you my heart cries out “Perfidia”. For I found you, the love of my life, in somebody else’s arms. **Allemande Left** and you **Weave the Ring**. Your eyes are echoing “Perfidia,” Forgetful of our promise of love, you’re sharing another’s charms.

## Figures (Twice for heads, twice for sides):

**Heads (Sides) Square Thru** four hands around the ring you gonna go. **Right and Left Thru. Veer Left; Crossfire; Girls Run; Veer Left; Crossfire; Boys Run Right; Swing your Corner; Promenade** All Right. Forgetful for our promise of love, your sharing another’s charms.

## Middle Break:

**Sides Face, Grand Square** With a sad lament, my dreams have faded like a broken melody; While the gods of love look down and laugh at what romantic fools we mortals be. **Allemande Left** and you **Weave the Ring**. And now I know my love was not for you and so I’ll take it back with a sigh, perfidious one, good-bye.

## Closer:

**Sides Face, Grand Square** To you my heart cries out “Perfidia”. For I found you, the love of my life, in somebody else’s arms. **Allemande Left** and you **Weave the Ring**. And now I know my love was not for you and so I’ll take it back with a sigh, perfidious one, good-bye.
