Opener:

Circle left. Well, east coast girls are hip; I really dig those styles they wear. **Left allemande** your corner **dosado** your own, **left allemande weave** that ring. I wish they all could be California (Girls). I wish they all could be California Girls. I wish they all could be California Girls.

Figures (Twice for heads, twice for sides):

Why don't the **Heads (Sides) square thru** go four now, **slide thru** you know. **Left touch ¼,** **zoom once and a half.** Got a wave, **fan the top, spin the top. Explode and square thru three. Swing** your corner **promenade** for me. I wish they all could be California Girls.

Middle Break:

Circle left. The west coast has the sunshine and the girls all get so tanned. **Left allemande** your corner **dosado** your own, **left allemande weave** that ring. I wish they all could be California (Girls). I wish they all could be California Girls. I wish they all could be California Girls.

Closer:

Circle left. I've been all around this great big world and I've seen all kinds of girls. **Left allemande** your corner **dosado** your own, **left allemande weave** that ring. I wish they all could be California (Girls). I wish they all could be California Girls. I wish they all could be California Girls.

Complete Lyrics

Well east coast girls are hip I really dig those styles they wear
And the southern girls with the way they talk they knock me out when I'm down there

I wish they all could be California; I wish they all could be California; I wish they all could be California Girls

The mid-west farmer's daughters really make you feel alright
And the northern girls with the way they kiss they keep their boyfriends warm at night

The west coast has the sunshine and the girls all get so tanned
I dig a French bikini on Hawaii island doll by a palm tree in the sand

I been all around this great big world and I seen all kinds of girls
Yeah, but I couldn't wait to get back in the states back to the cutest girls in the world
