Opener & Figures:

Circle left. Everybody likes a celebration. Happy music and conversation. **Men star right**, one time 'round you know. (**Allemande left** and **weave** the ring). *In the corner there's a couple dancing. From the kitchen I can hear them laughing. **Oh, I wish I was celebrating, too!

Figures (Twice for heads, twice for sides)

Heads (Sides) promenade take it **halfway** 'round now, **sides (heads)** do a **right and left thru**. **Square thru four** hands 'round and then. (Do an **eight chain four**) *In the corner there's a couple dancing. **Swing** your girl and then **promenade**. **Oh, I wish I was celebrating, too!

Alternate lyrics:

*She's been lyin' since the day I met her.

**Oh, I, would rather be lonesome and go.

Middle Break & Closer:

Sides face **grand square**. I know (*I know*) this night (*this night*) won't last forever. I know (*I know*) the sun (*the sun*) is gonna shine (**Allemande left** and **weave**) I need (*I need*) some hope (*some hope*) for a bright tomorrow. I know (*I know*) this heart (*this heart*) is gonna mend just fine.
