Verse 1:

Got a wife and kids in Baltimore, Jack. I went out for a ride and I never went back
Like a river that don't know where it's flowing I took a wrong turn and I just kept going

CHORUS:

Everybody's got a hungry heart. Everybody's got a hungry heart
Lay down your money and you play your part. Everybody's got a h-h-hungry heart

Verse 2:

I met her in a Kingstown bar. We fell in love, I knew it had to end
We took what we had and we ripped it apart. Now here I am down in Kingstown again

Verse 3:

Everybody needs a place to rest. Everybody wants to have a home
Don't make no difference what nobody says. Ain't nobody like to be alone
